10.17 The vote will be by secret ballot. Once a member delegate is verified by voting scrutineers or registration clerks appointed by the Electoral Officer as applicable, the member delegate or proxy holding that member’s vote will sign next to his or her name on the voter list and the member delegate will be given a ballot.

10.18 After receiving a ballot or ballots, the voter will, in the polling booth or space provided, mark it with an “X” in the square provided opposite to the name or question for which he or she desires to vote, fold the ballot, and, in the presence of the Electoral Officer and scrutineers, deposit the ballot in a secure ballot box.

10.19 Ballots that are not marked or have on them writing or a mark other than “X” will be considered spoiled and will not be counted, except where the voter has by some other mark, in the opinion of the Electoral Officer, clearly indicated an intention, in which case the Electoral Officer may declare the ballot not spoiled and count it accordingly, whose decision will not be open to question or review on the day of the election and will be considered final, subject only to an appeal filed in accordance with the Bylaws.

10.20 No person other than the voter, for the time that it takes to vote, is permitted in the polling booth or allocated space for voting.

10.21 While voting is being carried out, no person may do any of the following in the immediate vicinity of a polling station as determined by the Electoral Officer:

- (a) post, display or distribute campaigning material or advertising, or any material that identifies a candidate or represents a particular choice on a question being voted on by secret ballot; or
- (b) canvass or solicit votes or otherwise attempt to influence how an eligible voter votes.

10.22 When a ballot box is full it must be sealed by the Electoral Officer and once sealed, the seal can only be broken by the Electoral Officer in the presence of at least two (2) scrutineers. The Electoral Officer will secure full ballot boxes in a locked room or secured location. No person will be allowed access to the locked room or secured location or to inspect the ballot boxes without the presence of the Electoral Officer and at least two (2) scrutineers.

Counting the Votes

- 10.23 When voting is completed, full ballot boxes will be removed from their secure location and counted one by one, their seals checked by the Electoral Officer, and each ballot box will be opened in the presence of at least two (2) scrutineers.
- 10.24 Ballots will be counted at the polling stations where the votes are cast. In all circumstances, ballots will be counted in the presence of the Electoral Officer and at least two (2) scrutineers.
- 10.25 If there is a dispute as to the validity of a ballot on the day of an election, the Electoral Officer will make a final determination that is subject only to an appeal filed in accordance with the Bylaws, and count or not count the ballot accordingly. Any disputed ballots so counted will be segregated and placed in a separate box or envelope so they will be available for counting in the event of a subsequent challenge to the election. The number of “disputed” ballots will be counted, and the number of such ballots recorded prior to sealing the box or envelope in which such disputed ballots will be placed.
- 10.26 The Electoral Officer will confirm the final count of ballots, and then in the presence of at least two (2) scrutineers, the Electoral Officer will place all ballots, including any disallowed ballots into a ballot box and then seal the ballot box.
- 10.27 The Electoral Officer will make a written record of the results of the election, sign it, and provide it to the Board within two (2) weeks of the date of the election for inclusion in the minutes of the meeting.
- 10.28 Immediately following the election, all membership records, including membership lists, as well as all elections records, including voter lists, used and unused ballots, and all tally sheets will be placed in boxes, sealed, and delivered to BCAFN’s head office, where they will remain for thirty (30) calendar days after the election or such longer period as a court of competent jurisdiction may order. The membership and election records, including the ballots used in the election, may be unsealed and counted or inspected only in the presence of legal counsel for BCAFN and legal counsel for each candidate, if any.
- 10.29 No one may challenge the electoral results unless filing an appeal in accordance with the Bylaws.

Proxies

- 10.30 A proxy appointment made by a member in accordance with the Bylaws is valid in respect of an election, and votes cast by proxy in an election will be treated in the same way as votes cast by member delegate.
- 10.31 The Electoral Officer will resolve any dispute regarding the casting of a proxy vote in an election in accordance with the Bylaws.

Scrutineers

10.32 Each candidate must appoint one (1) scrutineer per polling station who is entitled to be present during voting and the counting of ballots. The candidate will appoint his or her scrutineer at the same time he or she accepts the nomination. In the case of a secret ballot vote on a matter other than an election, any person who is the subject of that vote may appoint scrutineers as if he or she was a candidate for election.

10.33 The scrutineers are required to:

- (a) approve the voter list circulated by the Electoral Officer in writing and in advance of the opening of the poll;
- (b) contest the right of a person to vote if there is a valid reason for doing so and call on the Electoral Officer to make a determination in the event of a dispute over voter eligibility; and
- (c) deliver any used duplicate voters list in his or her possession at the close of the polls to the Electoral Officer.

10.34 At each polling station, at least two (2) scrutineers are required to:

- (a) scrutinize the sealing of the empty ballot boxes before voting;
- (b) verify the identity of each prospective voter and faithfully mark on a duplicate voters list to whom a ballot is given;
- (c) scrutinize the unsealing of the ballot boxes prior to vote counting;
- (d) assist the Electoral Officer and his or her designate(s) with counting the ballots;

- (f) sign the return of the poll.

Electing the Regional Chief: Fifty Percent

10.35 The winning candidate in an election for Regional Chief must have more than fifty percent (50%) of the votes validly cast in the election. For greater certainty, a candidate who receives fifty percent (50%) plus one of the votes validly cast in the election wins that election.

10.36 If there is only one candidate for Regional Chief, he or she will attain office by acclamation.

10.37 If there are more than two (2) candidates and none of the candidates attains fifty percent (50%) of the votes validly cast on the first poll, further polls will be taken until one of the

candidate attains the necessary number of votes. On each successive poll, the name of the candidate with fewest votes will be removed from the ballot.

10.38 In the event of a tie between the last two (2) candidates after the poll, another poll will be taken, and if a tie occurs after a second poll is held, successive polls will be taken until the tie is broken by either:

- (a) one of the two candidates receiving more than fifty percent (50%) of the votes validly cast, or
- (b) one of the two candidates withdrawing.

10.39 Any candidate for Regional Chief may withdraw from the election at any time by advising the Electoral Officer directly of his or her withdrawal in writing.

Electing Directors

10.40 The five (5) director positions on the Board are intended to be filled in staggered 3-year terms so that terms overlap, in order to retain institutional knowledge on the Board.

10.41 If there are insufficient candidates to hold competitive elections, the candidates attain office by acclamation.

10.42 If there are more candidates than positions available on the Board at any given election, a single, secret ballot poll will be taken to fill all available seats. For example, if there are five (5) candidates and three (3) seats open on the Board, those candidates who receive the first, second, and third most votes in the secret ballot poll are elected into office.
